MEMBERSHIP BENEFITS & TERMS

- A minimum of 4 payments must have been accumulated prior to the first treatment.
- Selected plan entitles members to receive treatments at four-monthly intervals following payment of initial course of treatment.
- Twelve-month entitlement is determined from the date of your second treatment and provided your payments remain up to date.
- Members may change the area treated within their plan entitlement.
- Examples of one area is crow's feet/laughter lines (both eyes), glabella (the vertical lines above the nose), forehead frown lines, smokers' lip lines (above top lip).
- Individual additional areas may be taken at the time of treatment, subject to payment in full at the time of treatment.
- Failure of the Direct Debit payment will invalidate member entitlements.
- Privilege Plan are the administrators of the plan and their name will appear on your bank statement.
- Please note: a £10.00 administration fee is charged at the first month's payment.
